WHOLESALE CHARGES COLORED ODD FELLOWS. Made by a Section of the Anti-Garbage Thirteenth Triennial Assembly of the G.

Factory Meeting.

Home Rulers Take a Hand in a South The Sessions Begun Today - Grand Washington Affair-Resolu-Parade Tomorrow, Closing With a

at any other place within the District of Wm. J. Howard. P. G. M. Dr. Jno. C.

Meeting and Banquet The people of South Washington, to the The thirteenth triennial grand assembly number of about 150, last evening met in of the G. U. O. of O. F. met in open seethe handsome main hall of the Washing- sion today in Odd Fellows' Hall, on M ton Athletic Club's house, South Capitol street, Past Worshipful Grand Master Jas. street between N and O, for the purpose W. Jones of this city, chairman of the genof solemnly protesting against the further eral committee of arrangements, presiding continuance at the foot of South Capitol or Prayer was offered by P. W. G. M. Rev.

U. O. of O. F.

the garbage factory and dead animal depot of the National Sanitary Company. In anof the National Sanitary Company. In answer to the invitation mailed by the committee of arrangements a number of residents of other sections of the District were present, and when the meeting adjourned at midnight, after four hours almost vainly spent in endeavoring to express by a series of resolutions the position and demands of the people most affected by the location of the factory, the residents of South Washington undoubtedly regretted that their invitations to attend the meeting had been so generally extended. Among those who ac-

generally extended. Among those who accepted the invitation to attend the meeting was a delegation from the Home Rule Club of the District. The members of this delegation, headed by Mr. John H. Crane, occupied no little time of the meeting in announcing that they were for home rule here

nouncing that they were for home rule here first, last and all the time, and endeavored The Parade Tomorrow. to impress upon the rest of those present that only by home rule could the garbage evil, and, indeed, all other evils, be removed. But, notwithstanding their eloquence, their denunciation of about everybody who failed to agree with them, the meeting refused to follow where the flag of home rule led, and, intimating in rather routifye language that the garbage factory There will be a grand parade of the enhome rule led, and, intimating in rather positive language that the garbage factory and not home rule was the question of the hour, the members of the delegation withdrew at the eleventh hour, defeated, but defiant, and then the meeting quickly and in order accomplished the object of the call by unanimously adopting the following series of resolutions:

Whereas the National Sanitary Company has caused to be erected at the foot of South Capitol street, in the city of Washington, District of Columbia, a plant for the purpose of manipulating the garbage of said city; and

Whereas the Odorless Excavating Company has established a wharf at the foot of South Capitol street and uses the same for dumping the garberings of the city into the river instead of placing the same on the scows for the purpose of being car-

zens present.

Resolved, That we, the citizens of South liver an oration. Washington, in mass meeting assembled, do constitute and declare ourselves a permanent organization under the name of representatives. The various continuous continuous and the property of the grant representatives.

peal bill to prolong the session of the Senate next week until midnight each day MR. VAN ALEN'S NOMINATION makes public property of a thing that has been privately discussed for several days, and the episode in the Senate this morning indicates very clearly the feeling such a

indicates very clearly the feeling such a proposition excites on the part of the silver men. They have been expecting such a move for some time and their leaders assert that it will in no way hasten action on the Voorhees bill. They assert that this morning the nomination of J. J. Van Alen to be ambassador to Rome will not be reported to the Senate this week. At the meeting of the committee on foreign relations this morning the nomination was not considerately mark about the last effort on on the Voorhees bill. They assert that the course will mark about the last effort on the part of the repealers, and they claim that its failure is already assured.

morning the nomination was not to save the casual reference. No protests of any kind have been made.

they would permit the Voorhees bill to go through without further obstruction they could rely on the assistance of a large number of repealers toward the immediate passage of a measure favorable to silver. They ber of repealers toward the immediate passage of a measure favorable to silver. They have, however, shown an unwillingness to

GRANAGER. Mrs. CAROLIN GRANAGER.
Funeral services will take place from St. Mathew's Church Thursday morning at 8:2
o'clock.

POLKINHORN, On Sunday evening, September 24, 1863, at 7,20 p.m., soldenly, MARTHA J. POLKINHORN, eldest daughter of the late Henry Polkinborn.

ervices Held at St. Leo's Church in NEW YORK, Sept. 27.-Funeral services were held this morning at St. Leo's Church daughter of the Brazilian minister to the United States. Solemn mass of requiem Among those present were Charles R.

for dumping the gatherings of the city into the river instead of placing the same on the scows for the purpose of being carried away from the city; and Whereas the plants of works of both said National Sanitary Company and Odorless Excavating Company, and each of them, are nuisances which should be abated; and Whereas appeals have been made to the Compussioners of the District and petitions.

Meeting and Bangnet.

Commissioners of the District and petitions sent to the Congress of the United States asking that an investigation be had;

A meeting will be held at the church at the close of the parade, which will be called Resolved, That a proper memorial to Con-gress be prepared and signed by the citi-of ceremonies. P. M. V. P. John R. Brown

do constitute and declare ourselves a permanent organization under the name of the "South Washington Citizens' Association," for the purpose and object of meeting from time to time to discuss the interests and needs of South Washington and devise means of securing its rights and promoting its general welfare.

Resolved, That the present chairman appoint a working committee of ten, who shall elect a chairman and secretary from their number, hold meetings at stated times investigate matters brought to their attention, interview public officers and press the interests of our section, call general meetings when deemed advisable and otherwise act as guardians of our rights, interests and welfare.

COMPROMISE TALK.

Senator Stewart's Attack on the President Hns Injured the Silver Cause.

The disclosure made by Senator Wolcott in the Senate today of a purpose on the part of the managers of the Voorhees re-

part of the managers of the Voorhees re- N. Allen.

Senate today of a purpose on the Emily Monroe, Mrs. D. B.

What Has Been Promised.

For some days the suggestion has been

repeatedly made to the silver men that if

accept such uncertain promises as these, feeling that they did not carry with them

the assurance of favorable action by the President on any measure for the benefit of

silver which Congress might pass. The public announcement by Mr. Gorman in the Senate today that his disposition was favor-

able to the immediate passage, after dispos-ing of the Voorhees bill, of a measure of

men is a verification of what the silver men

Compromise Talked Of.

some by Mr. Stewart's speech, as some democrats who are opposed to the passage of the Voorhees law resent the idea of being placed in the attitude of concurring in any personal criticism of Mr. Cleveland.

TWO TO ONE ON THE VIGILANT.

Bets in New York on the Coming

NEW YORK, Sept. 27.-The Post in an

article regarding the coming races for the

The New York Yacht Club has settled

upon Archibaid Rogers as the representa-

tive on the Valkyrie during the race and

the Royal Yacht Squadron will be represented by the Hon. Mr. Kerr, who will sail on the Vigilant. If a referee is decided upon Lloyd Phoenix is acceptable to both sides and will be in the position.

The first race will be as agreed upon, fifteen miles to windward and leeward and returned if for a supersection of the state of the

return, and if for any reason the race is postponed the same course will be sailed, the same arrangements being true of the

triangular course.

Many bets have been made on the races

and the ruling odds are about 2 to 1 on the Vigilant. Some offers have been made at 1 to 2 that the Vigilant will win three straight races. This is looked upon as more patriotic than cautious.
